DISCLAIMER: The P.A.C.E. Program has been designed specifically for students who need an opportunity to earn their high school diploma to qualify for a job that requires proof of earning a high school diploma or need an opportunity to earn their high school diploma for self-improvement and/or personal satisfaction. Please be advised that the P.A.C.E. Program is not a college-prep program that prepares students for college admissions and is not a high school completion program that prepares students for educational enlistment requirements of the U.S. Military. You may use Continental Academy's High School Diploma to apply for a job that requires proof of earning a high school diploma. However, the decision to recognize or accept the Continental Academy High School Diploma or any other high school diploma that you have earned is always the prerogative of the employer in the United States. While many employers have recognized the Continental Academy High School Diploma, it is possible that some employers may not. Continental Academy makes no representation that its high school diploma will be recognized or accepted by ALL employers or that you will be guaranteed a job after graduating from Continental Academy. Continental Academy makes no representation of any kind concerning the fitness of its curriculum to meet any legal, educational, or employment requirements.

Continental Academy is accredited by the National Association for the Legal Support of Alternative Schools. Accreditation does not provide automatic acceptance by an institution of credit earned at another institution, nor does it give assurance of acceptance of graduates by employers. Acceptance of credits or graduates is always the prerogative of the receiving institution or employer. For these reasons, besides ascertaining the accredited status of a school or program, students should take additional measures to determine, prior to enrollment, whether their employment goals will be met through enrollment at Continental Academy. Those measures should include inquiries to prospective employers.

I understand and agree to the Terms and Conditions of this enrollment application. I also understand that once I have completed all graduation requirements and have paid my tuition in full, my school diploma will be awarded to me.

By entering my name below and submitting this form, I hereby affirm that I have provided my legal name and that I have read, understand and agree to abide by the provisions of the Scholastic Honor Code.
